AUDITED FINANCIAL STATEMENTS
(With Independent Auditors' Report)

FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Montessori of Maui, Inc.
Makawao, Hawaii 96768

We have audited the accompanying financial statements of Montessori of Maui, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Montessori of Maui, Inc. as of June 30, 2015 and the changes in its net assets, functional expense and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Montessori of Maui, Inc. 2014 financial statements, and our report dated August 26, 2014 expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to the Financial Statements June 30, 2015

Note 1. ORGANIZATION

Montessori of Maui, Inc. (the Organization) is a non-profit organization incorporated under the laws of the State of Hawaii on August 26, 1982. The purpose of the Organization is to provide a school for children on the island of Maui in accordance with the Montessori Method of education. The students, who range from 18 months to 13 years, are encouraged to develop their maximum potential in a facility where cultural, social and esthetic diversities flourish.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting: The Organization uses the accrual method of accounting for financial statement reporting according to generally accepted accounting principles. Under this method of accounting, revenue is recognized when earned rather than when received and expenses are recognized when incurred rather than when paid.

Net Assets: The Organization classifies its net assets and its revenue, support and expenses based on the existence or absence of donor-imposed restrictions. Temporarily restricted net assets result from contributions whose use is limited by donor stipulations that either expire with the passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. Permanently restricted net assets result from contributions whose use is limited by donor stipulations that do not expire.

Accounts Receivable: Accounts receivables represents revenues earned but not yet received. Accounts receivables are written off when deemed uncollectible by management. Managements periodically evaluates the adequacy of the allowance for doubtful accounts based on its past experience and knowledge of the receivable. Management has recorded an allowance for doubtful accounts of \$6,748 and \$12,912 at June 30, 2015 and 2014, respectively.

Income Taxes: Montessori of Maui, Inc. is exempt from Federal income taxes under *Section 501(c)(3)* of the Internal Revenue Code and also from State of Hawaii income taxes under *Section 237-23 (b)* of the Hawaii Revised Statutes.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2015 or 2014.

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, are subject to examination by the IRS, generally for three years after they were filed. Returns after 2011 are subject to examination.

Notes to the Financial Statements
June 30, 2015

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Land, Buildings and Equipment: Land, buildings and equipment are stated at cost or at fair value at date of donation. Major renewals and improvements are capitalized, while maintenance and repairs that do not extend the lives of the assets are charged to operations. The Organization capitalized renewals and improvements with a useful life greater than one year and a value greater than \$2,000. Depreciation is provided over the estimated useful lives of the assets using the straight-line method.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting periods. Actual results could differ from those estimates.

Reclassification: Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of operations.

Advertising: The Organization expenses advertising as it incurs.

Refundable Advances: Refundable advances represents funds received which were not yet earned, as conditions set forth within grant agreements have not yet been met.

Note 3. CASH AND CASH EQUIVALENTS

For the purpose of the statement of cash flows, cash is defined as demand deposits, mutual funds, savings accounts, certificates of deposit with maturities of three months or less, and money market accounts. The Organization's cash balance from time to time exceeds Federally insured levels. Management has not experienced any losses and believes the risk is minimal.

Note 4. EMPLOYEE PENSION PLAN

The Organization has entered into a tax-deferred annuity plan qualified under *Section 403(b)* of the Internal Revenue Code. The plan covers qualified employees and establishes individual retirement trust accounts. Eligible employees may make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code. The Organization may make contributions to the plan based on a formula included in the plan. The Organization's pension contribution was \$67,161 and \$62,221 for the years ended June 30, 2015 and 2014, respectively.

Notes to the Financial Statements June 30, 2015

Note 7. SPECIAL PURPOSE REVENUE BONDS, SERIES 2007

In 2007 the Organization, in conjunction with the State of Hawaii, issued Special Purpose Revenue Bonds Series 2007 for \$5,710,000 for financing construction of educational facilities. Cost of issuance of the bonds was \$155,000. The cost of issuance was capitalized and is being amortized over the life of the loan. The Bonds were issued under and secured by a Trust Indenture dated February 1, 2007, between the Organization and The Bank of New York Trust Company, N.A. The Bonds are also secured by a Loan Agreement dated February 1, 2007, between the Department of Budget and Finance of the State of Hawaii as the Department, The Bank of New York Trust Company, N.A. as Trustee, and the Organization, as the Borrower. As a result, all of the Organization's assets are pledged as collateral.

The Organization is required to make annual principal payments due January 1 each year until 2037 as well. The semiannual interest payments are due January 1 and July 1 each year. The Organization is making monthly payments to the Bank of New York trust accounts in order to have enough funds to make the principal and interest payments timely. In addition, the Organization is required to maintain a reserve account. The balance of the reserve account was \$406,755 at June 30, 2015 and 2014. Principal and interest payments are based on bond maturities noted below.

Note 8. SUBSEQUENT EVENTS

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through September 15, 2015, the date the financial statements were available to be issued.

Note 9. ENDOWMENTS

The Organization's endowment funds consist of donor restricted gifts. The endowments include both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by generally accepted accounting principles (GAAP), net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. At June 30, 2015 and 2014, the endowment net assets amounted to \$166,637 and \$166,466 respectively.

For the year ended June 30, 2015, the changes in endowment net assets are the following:

	Endowment Net Asset Composition by Type of Fund			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total

Note 9. ENDOWMENTS (CONTINUED)

Interpretation of the law

The Board of Directors of Montessori of Maui, Inc. has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift at the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, management considers in its determination to appropriate or accumulate donor restricted endowment funds the following factors:

1. The duration and preservation of the fund
2. The purposes of the organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of Montessori of Maui
7. The investment policies of Montessori of Maui

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a total return over longer term consistent with preservation of principal. It is expected that earnings growth will exceed the rate of inflation, as measured by the Consumer Price Index, by at least 2-5 percentage points, measured over a five-year period and that the real purchasing power of the Endowment be maintained.

Strategies Employed for Achieving Objectives

In order to meet the Organization's return objectives, the Board of Directors determines appropriate investments with the primary purpose of preservation of capital.

Spending Policy

It is the policy of the Organization that spending of interest earned from endowments be limited to Board of Director approval and concurrent with donor restrictions.

Funds with Deficiencies

From time to time the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires the Organization to retain as a fund of perpetual duration. As of June 30, 2015 there were no deficiencies of this nature.

Note 10. FAIR VALUE MEASUREMENTS

The Organization implemented *ASC 820-10-50-1* which establishes a fair value hierarchy for inputs used in measuring fair market value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on the best information available in the circumstances.

This fair value hierarchy consists of three broad levels.

- Level 1 inputs consist of unadjusted quoted prices in active markets such as stock exchanges for identical assets and have the highest priority.
- Level 2 inputs consist of significant other observable inputs such as quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 inputs consist of significant unobservable inputs and include situations where there is little, if any, market activity for the investment. The inputs require significant judgment or estimates, such as those associated with discounted cash flow methodologies and appraisals.

Fair values of assets measured on a recurring basis are as follows, there are no liabilities or other assets measured at fair value on a recurring or non-recurring basis:

Assets	Total June 30, 2015	Quoted Prices: Level 1	Significant Other Inputs: Level 2	Significant Non- Observable Inputs: Level 3
Certificates of Deposit	\$ 752,462	\$ 752,462	\$ -	\$ -
Mutual Funds	86,237	86,237		
Exchange-Traded and Closed Ended Funds	79,032	79,032		
Total	<u>\$ 917,731</u>	<u>\$ 917,731</u>	<u>\$ -</u>	<u>\$ -</u>

Assets	Total June 30, 2014	Quoted Prices: Level 1	Significant Other Inputs: Level 2	Significant Non- Observable Inputs: Level 3
