

Upper Elementary Lead Teachers/Guides

The Montessori of Maui (MOMI) is accepting applications for Montessori credentialed, Upper Elementary School lead teachers/guides. Looking to enhance our program currently in its 41st year, successful applicants will hold a Montessori teaching credential from an accredited teacher education program. The successful applicants will partner with existing faculty to enrich curricula and to support the growth and development of children against standards that are aligned across all programs. Experiencing robust enrollment of no more than 57 students in newly expanded environments, the Upper Elementary team (3 teachers, 2 assistants) orchestrates the delivery of the curriculum to all students via a team-based model.

MOMI is an independent, non-profit school located on a beautiful 9-acre campus in upcountry Maui, Hawaii. Accredited by the Hawaii Association of Independent Schools and the Western Association of Schools and Colleges, MOMI is committed to the principles of Montessori philosophy and Earth education. Our school offers a creative and supportive environment that integrates environmental literacy, ecology, and the arts with a rigorous academic program. For additional information about this position and our school, please visit www.momi.org. To apply, send letters of intent and resumes to hr@momi.org.
