This information is going to be compiled into a document accessible to those who have submitted their information. Parents can contact each other independently to make arrangements. The school is simply helping to facilitate contact among families who wish to carpool, and as such assumes no responsibility or liability.

Keep in mind that if you are going to have your child(ren) picked up from the school, that the individual picking up your child(ren) must be listed on your authorized list of people who are able to pick up your child(ren), otherwise the school will not be allowed to release him/her/them.

Children in the toddler and primary classrooms must be walked to their class and signed in by an adult who is bringing them to school (no curbside drop off for these younger children). Primary and toddler children must also be signed out at the classroom or extended care by the adult picking them up.

By signing this Informed Consent for Carpooling Form about the procedures and expectations for carpooling, I am knowingly relieving the school of any and all responsibility and liability in the transport of my child(ren) to and from Montessori of Maui, Inc. DBA Montessori School of Maui.
